VI.	Report from the Finance Committee (May and June 2020 Financials)	<p>Ms. Austin turned the discussion over to Mr. John Mills for review of the May and June 2020 Financials. (Exhibit B and C respectively). Mr. Mills discussed the cash equivalents, account receivables, investments, total assets, liabilities, and net assets for the month of May and June. He then discussed the revenues, expenditures, loss and net assets for the month of May and June listed on the Statement of Activity. Mr. Mills mentioned that most of the loss was as a result of the Board decision to continue the Partners in Recovery Program which was previously funded by the 1115 Waiver money. We had excess cash at the beginning of this year, so we decided to continue this program. Mr. Mills entertained a motion to approve May and June financials. Dr. Basinger moved to approve Financials and Mr. Fritsch seconded. The Board unanimously approved May and June, 2020 financial statements. Mr. Mills appealed to the Board to let them know that this audit will be a bigger audit and the Board has a deadline to submit to the City in October so he is requesting that the Board meet in late September for the Board to review audit prior to submitting to the City. Mr. Mills stated that the Finance Community made a decision to present a Board recommendation due to funding when we have a weakened financial position to obtain a standby letter of Credit in the amount of \$500,000. Mr. Fritsch moved to approve this and Dr. Basinger seconded approval. Mr. Mills stated that we need to keep the PIR program running and HRC currently has enough to carry it for 6 months if money can be used for that. He stated that there is funding pending and we should receive that money in September.</p>	Exh. B and Exh. C The Board unanimously approved May and June financial statements. The Board unanimously approved securing a line of Credit.

IX.	Board Development	Ms. Austin turned the discussion to Ms. Betty Nunnally to discuss the purpose, power and guidelines for the Executive Committee. Ms. Nunnally presented the Board with a draft for consideration (Exh. E) that discussed the guidelines of which the Executive Committee must abide by. She made a recommendation that one person of each of the current four committees join so that all four committees are represented and thus there will be a quorum if ever one is absent. Judge Hellums suggested that they need to add specific language on this document that states that this committee would be expected to report at the next Board meeting. Legal Counsel Ms. Williams agreed that it should be added and that they will have a report as part of the Agenda at future meetings. Ms. Austin questioned whether or not we would meet timely filing of the meeting should an emergency arise. Legal Counsel Ms. Williams stated that business emergencies do not constitute an Emergency by our standard guidelines but in the event of an actual Catastrophic emergency that may constitute an urgent public necessity. Ms. Austin asked for a motion to approve guidelines as altered and Ms. Nunnally made the motion to approve. Dr. Basinger seconded approval of the guidelines.	Exh.
